(2) Upon receipt of any request for the production of computer tape or microfilm, the Commission will advise the requester of the identity of the private contractor who will perform the duplication services. Similarly, if the records requested require the production of microfilm or of computer tapes, the Commission will not instruct its contractor to du-

plicate the records until the requester has submitted payment as directed or has made acceptable arrangements to pay the total amount due. If any fee is not precisely ascertainable, an estimate will be made by the Commission and the requester will be required to forward the fee so estimated. In the event any advance payment differs from the actual fee, an appropriate adjustment will be made at the time the copies are made available by the Commission.

(d) The Commission may reduce or waive payments of fees hereunder if it determines that such waiver or reduction is in the public interest because the furnishing of the requested information to the particular requester involved can be considered as primarily benefiting the general public as opposed to primarily benefiting the person or organization requesting the information.
